Acceptance is the answer to all my problems. Today. when I am disturbed, it is because I find some person, place, thing or situation – some fact of my life- unacceptable to me, and I can find no serenity until I accept that person, place, thing or situation as being exactly the way it is supposed to be at this moment.

Nothing, absolutely nothing, happens in God's world by mistake. until I could accept my alcoholism, I could not stay sober; unless I accept life completely on life's terms, I cannot be happy. I need to concentrate not so much on what needs to be changed in the world as on what needs to be changed in me and my attitudes

Serenity Prayer

God grant me the serenity to accept the things I cannot change;
Courage to change the things I can't
And wisdom to know the difference.

I am responsible

I am responsible when anyone, anywhere, reaches out for help, I want the hand of A.A. to always to be there.
And for that

I am responsible
