

# **NOTICE – CHANGE OF MEETING LOCATION FOR AUGUST 29, 2019 -- DISTRICT 34 – SERVICE MEETING**

To All GSR's and their Alternate's:

It was decided at the July 2019 District Table Meeting; we will be having our August District Meeting at the Quinte Sports and Wellness Centre – FIREPLACE ROOM. This meeting will allow our Delegate – Rob M. to present his Delegate's Report via Zoom Technology. Our current meeting location does not have WIFI.

**NOTE:** The meeting will begin at **6:00 pm** for pizza, pop and fellowship. At **7:15** we will have a short district meeting to have the Treasurer's Report presented as well as discussion on a few business items.

**All Sub-Committee Chair Reports** are to be submitted in writing to our District Secretary for inclusion in the minutes. If there are **birthdays, medallions or group celebrations**, again -- they need to be submitted to our District Secretary for inclusion in the minutes. **No GSR highlights** will be given that evening. **FYI:** The birthday form is found on our website – under the resources tab.

At **8:00 pm**, our Delegate will present his report and the meeting will conclude at approximately 9:00 pm. I would ask that you please keep in mind this is our regular closed meeting of business for District 34.

A couple of items for your information:

1. **Grapevine Orders – August 29 is the last day** to submit your grapevine orders and monies to our district Grapevine Chair – Jacquie S. Please ensure you have your group order and money to pass off to Jacquie at the meeting. If you have any questions, you can email her directly. The email address for Jacquie is located on our website.

2. **Email Transfers for Area 83 Contributions** – The information about this item has been circulated to all groups. At the Area Committee Meeting being held on September 7, I will be asked to vote on behalf of District 34. As a District, are we in favour or opposed to this? I will be asking for a show of hands on August 29 as to how you want me to vote. If you have any questions re this item before then, please contact me.
  
3. **Vacant Public Information Chair** – Please pass along to group members that we have an open position at the District level. District 34 is looking for a person to chair our Public Information position. I would ask that you share this at all meetings you attend when announcements are being made and at your group business meeting. If you know of someone who is interested, please have them contact me.

If anyone has any questions and/or concerns regarding any of the information I have shared, please feel free to reach out to me. I wish you a very enjoyable August.

Yours in Love and Service,  
Bev Heuvig  
DCM – District 34
